

Medal Cards

The card must show clearly the **Player's Name** (as on the Handicap List), the **Handicap** under which he has played, the name of the **Competition** and the **Date** the round was played.

At Beauchief, we normally ask players to complete these details themselves but, if the card is prepared in advance by the

Committee, it is for the player to ensure that they are correct.

The card must show clearly (readably) in the **Correct Column** the correct **Gross Score** for **Each Hole**.

The card must be **Signed** by both the **Player** and his **Marker** (who should print his name alongside his signature).

The penalty for failing to meet any of these requirements is Disqualification from the competition.

Although the Rules do not require players to complete other parts of the score card, the Competitions Committee encourages players to **Total Columns**. Card markers may only use the **Left Hand Column** for their scores.
